

ANNUAL REPORT 2019-2020

M.A.M MODEL SCHOOL was established under the management of **METCA** to provide quality education to the children in and around Varkala. It is a matter of great importance to us that the students pass out from our institution should carry the values they have inherited, excel in whatever they do and be the role model in the society.

We have Mr. Abdul Jabbar as our present Chairman and Mr. M.A Sayed as Vice Chairman, Adv. A Shaheer as the General Secretary and Mr. P S Basheer as the Treasurer of the trust, Mr. M.M. Shajahan and Mr. Naseer. S are the secretaries of the trust.

As we come to the end of this academic year I have great pleasure in presenting the annual report. It is becoming an enduring tradition to take this time to pause, turn around to look at the year as just passed and then gather energy to move ahead.

Our school has a strong team of faculty with all capacities and about thousand students from Play class to XII standards .As always this year was also filled with lot of activities and celebrations which have showcased the hidden talent of our students and the overwhelming support of our parents and teachers. Our commitment to our school has been to ensure the overall holistic development of our students and to put all our efforts to impart the best education. We also provide equal importance to extracurricular activities. Our school provides ample opportunities to nurture the talents of students to various activities and competitions.

MAM MODEL SCHOOL today is on the forefront in the field of academics. Excellence in academics is the hallmark of our institution. We are happy to announce that over the years the results of our school have shown a raising trend qualitatively both in internal and external examinations. In class X and XII CBSE board exam results were 100% and one of our students **Kumari Arya Nandha.L** achieved 9th rank in national level **AISSE** Exam. It is a great achievement for our institution.

SCHOLASTIC AND CO-SCHOLASTIC ACTIVITIES

We concentrate on various areas of personality development through scholastic and co-scholastic activities. We have sufficient accommodation with full furnished smart class rooms with projectors and interactive boards. We have a very good library with lots of books to enrich the knowledge of the students and we have well equipped lab facilities. The class rooms have been designed to be lively in teaching-learning process, to make it more enjoyable experiences. The activity oriented modern techniques like discussion ,debates, seminars, symposia, quizzes, group work creative writing and experimentation duly applied in the teaching-learning techniques. We give equal importance to co-scholastic areas like life skills, attitudes and values, literary and creative skills, art, music, dance ,yoga, Quran class ,martial arts like karate by providing regular classes. In addition to the internal examinations we encourage the children to participate in competitive exams conducted by State Govt.

CONTRIBUTION TOWARDS ENVIRONMENT PROTECTION

In our school campus we have proper rain water harvesting system. We systematically segregate both organic and electronic waste materials. Our school is using energy saving and energy efficient electrical equipments. Plantation and gardening has been done in and around our school campus. Our school is very particular in using solar energy. We are promoting awareness among children and parents on environmental conservation and cleanliness.

PARENT'S MEETING

We conducted class wise PTA meetings. At that time they get sufficient time to interact with the teachers and obtain a clear cut image of their children. Parents are invited in each term to scrutinize the answer scripts of their wards and sign the progress reports.

COUNSELLING

We arranged a counselling session for students and parents. The session was handled by our school counselor Mr.Sideeq psychologist, which enabled the students to face the examination with confidence.

TEACHERS EMPOWERMENT PROGRAMME

As a part of teacher empowerment programme our teachers have attended various orientation programmes and workshops in each subjects organized by eminent and efficient faculties.

COMMUNITY SERVICES

The students and staffs of our school extend kind help to the needy and poor. All these charity acts are a symbol of love and consideration to humanity.

CONCLUSION

The entire credit for the success of each and every activity of this school should go to the commitment and hard work of our staff members, both teaching & non teaching and the management committee. The whole-hearted cooperation of each management committee members to fulfil all the needs of the school is highly appreciable. I place on record my sincere appreciation and thanks for their unlimited support in running this institution smoothly. Let me also thank all the parents who have entrusted their children with full confidence in our hands. I am proud to thank our transport section for their contributions to the safety conveyance of our children with great care. At Last, not the least I thank God the Almighty for the abundant blessings showered on us in all activities and for guiding us in the right path to serve our country.

Thank You.
