

## **Annual Report-2024-2025**

**M.A.M MODEL SCHOOL** was established under the management of **METCA** to provide quality education to the children in and around Varkala. It is a matter of great importance to us that the students pass out from our institution should carry the values they have inherited, excel in whatever they do and be the role model in the society.

We have Mr.A.Sainulabdeen Poonthottam as our present chairman, Mr. E.Shajahan as the General Secretary, Mr.P.S Basheer as the Treasurer, Mr. Shibili Musthafa and Mr.K.Mansoor as Vice Chairmen Mr.A Nasarulla and Mr.A.K Salim as the Secretaries of the METCA Trust.

As we come to the end of this academic year I have great pleasure in presenting the Annual Report. It is becoming an enduring tradition to take this time to pause, turn around to look at the year as just passed and then gather energy to move ahead.

Our School has a strong team of faculty with all capacities and around 900 students from Play class to XII Standards. As always this year was also filled with lot of activities and celebrations which have showcased the hidden talent of our students and the overwhelming support of our parents and teachers. Our commitment to our school has been to ensure the overall holistic development of our students and to put all our efforts to impact the best education. We also provide equal importance to extracurricular activities. Our school provides ample opportunities to nurture the talents of students in various activities and competitions.

M.A.M MODEL SCHOOL today is on the forefront in the field of academics. Excellence in academics is the hallmark of our institution. We are happy to announce that over the years the results of our school has shown a raising trend qualitatively both the internal and external examinations, We have 100%result in class X and XII CBSE board exams. It is a great achievement for our institution.

We have sufficient accommodation with full furnished smart class rooms with projectors and interactive boards. We have a very good library with lots of books to enrich the knowledge of students and we have well equipped lab facilities.

### **Contribution towards Environment Protection.**

In our School campus we have proper Rainwater harvesting system, we systematically segregate both organic and electronic waste materials. Our School is using energy saving and energy efficient electrical equipment's. Plantation and gardening has been done in and around our school campus. Our School is very particular in using solar energy. We are promoting awareness among children and parents on environmental conservation and cleanliness.

### **Parents Meeting**

We conducted class wise P.T.A Meeting. Parents are invited in each month, at that time they get sufficient time to interact with teachers and obtain a clear cut image of their children.

### **Conclusion.**

The entire credit for the success of each and every activity of this school should go to the commitment and hard work of our staff members, both teaching and Non-teaching and the Management Committee. The whole-hearted cooperation of each management committee members to fulfill all the needs of the school is highly appreciable.

I place on record my sincere appreciation and thanks for their unlimited support and guidance in running this institution smoothly.

Let me also thank all the parents who have entrusted their children with full confidence in our hands.

I am proud to thank our transport section for their contributions to the safety conveyance of our children with great care. At last not the least I thank God, the almighty for the abundant blessings showered on us in all activities and for guiding us in the right path.

Thank You...
